

# Grow Remote Employer Partnership Programme

2021

**grow remote**

## Employer Partnership Programme

### **Engaging with key remote organisations**

We engage with a number of key organisations who are pioneers in the remote working space

### **Connecting remote employers with remote workers**

We facilitate a connection between remote employers and the growing ecosystem of remote workers across Ireland, building greater awareness in our communities of the job opportunities available remotely

### **Building the remote-ready workforce of the future**

Employer partners have the opportunity to inform the development of training programmes for remote workers, thereby building a sustainable pipeline of remote-ready workers

Our Employer Partnership Programme members

# Benefits of joining our programme

## **Influence the remote-ready workforce of the future**

Provide direct input into training and support for a national pipeline of remote workers

## **Have a positive social impact**

Provide volunteering opportunities for your staff to support this important social mission

## **Unlock remote-ready talent**

First access to up and coming remote ready talent including job seekers, graduates and managers

## **Become a key member of our community**

Receive public recognition of your support to Grow Remote as a top remote employer
